About Optimist International

Meeting the needs of young people in communities worldwide, Optimist Clubs have been "Bringing Out the Best in Kids" since 1919. Optimist Clubs conduct positive service projects aimed at providing a helping hand to youth. Club Members are best known in their communities for their upbeat attitudes. By believing in young people and empowering them to be the best they can, Optimist volunteers continually make this world a better place to live. There are 80,000 individual Members who belong to more than 2,700 autonomous Clubs. Optimists conduct 65,000 service projects each year, serving six million young people. Optimists also spend \$78 million on their communities annually.

Purposes of Optimist International

- ❖ To develop optimism as a philosophy of life.
- ❖ To promote an active interest in good government and civic affairs.
- ❖ To inspire respect for the law.
- ❖ To promote patriotism and work for international accord and friendship among all people.
- ❖ To aid and encourage the development of youth, in the belief that giving of one's self in service to others will advance the well-being of humankind, his community, and the world.

Mission/Vision Statement

By providing hope and positive vision, Optimists bring out the best in kids.
