OPTIMIST INTERNATIONAL
(As Approved August 18, 2018)

FOREWORD

Optimist International Board Policy ID-13, Paragraph 5 states:

As part of the fiscal duties and responsibilities of District administration, each District shall adopt a set of District Policies at the District's annual convention, or at a specially called convention. All District Policies shall follow the Optimist International model district policies, and shall be delivered to the Executive Director of Optimist International in hard copy or electronically within 30 days following adoption by the District. After approval by Optimist International, a District should review its District Policies at least annually. If the District amends the District Policies, the amended policies shall be forwarded to Optimist International within 30 days following the amendment, with all changes highlighted. No policy adopted by a District shall be in conflict of the International Bylaws, or the operating policies of Optimist International.

The current International Vice President-Elect will review these Policies and notify the International Staff that compliance with Optimist International Bylaws has been met. Submission of these policies to Optimist International by December 31 of each year is a requirement of the November allotment. When the suggested District Policies are adopted by the District, any item mandated by the Optimist International Bylaws, and not included in the District Policies, shall default to the International Bylaws requirements. After review by the current Optimist International Vice President, all deficiencies shall be corrected by the District Board. Failure to bring District Policies into compliance with International Bylaws will lead to a possible withholding of the District Allotment until such deficiency is cured. Effective November 1, 2013, any District found in violation of policies related to merchandise will forfeit any allotment.

The language, phraseology and construction of these policies may be altered or rewritten to accommodate prevailing District procedures so long as they conform to existing Optimist International Bylaws and Policies. Under the Optimist International Bylaws, flexibility is afforded to Districts to adopt policies that best promote involved, effective, and efficient District administrations. Mandatory wording is shown in bold face type and must be included in your District's policies as dictated by the Bylaws of Optimist International.

Customarily, District policies are adopted by the District's Board of Directors unless that authority or power has been assigned to the Executive Committee. By International policy, all policies of the District shall be submitted annually to Optimist International. Suggested policies involving receipts and expenditures bear the account number and definition assigned in the Standard District Chart of Accounts.

Any reference to the words "he", "his", "him", "man", or "men" is for descriptive purposes only and shall not, in any way, be construed to limit the application of the section in which they appear to the masculine gender.
