Fines:

Pablo for missing last week.

"Bear" for not sending out the Board meeting minutes.

Dave Beeson for his knee surgery.

Bob Lewis for being early (?)

Jose to cover Pablo

Gina for being early - for next week!

This & That:

The Board of Directors meeting was reviewed.

Student of The Month: we will be working to have one from Cholla and one from City High School this month, and into the future.

Our club's 50th anniversary will be this May. A planning session will be set up to invent something special and to try to get past members to attend.

The "club can" ticket program is changing. I think I have this correct. You will still get three tickets for our hat drawing. The winner of the first drawing will have their name put on the ticket, and it along with that portion of the "pot" will go into the can. This will build that fund up and increase participation. The second ticket drawn each

morning will still go to the person holding that ticket. And, anyone can still put a dollar into the can with their name on one of their "loosing" tickets.

This weekend is the District's Second Quarter Conference at the Arizona Golf Resort in Mesa. Our members who are attending are Esthermarie Hillman, Ken Johnson, "Bear" & Peggy Lundquist.

And Finally, from the book "Savvy Sayin's":

"You can't hurt your tongue by speakin' softly."

'Till next issue.
