Pueblo Optimist Club
Tucson, Arizona

10 - January - 2017

HAPPY NEW YEAR !!

Wow! I can remember last year just like it was almost yesterday! Once we got past our busy "Holiday" schedule, seems many of us took a bit of a break. Attendance at our last meeting in 2016 was only one or two off of average, but then on January 4th, we had a lot of folks recuperating form that weekend. (?)

Meeting on December 29th:

We had with us for breakfast; Steve Agan, Dave Arens, Willard Adams, Sty Bagwell, Dan Davis, Paul Diaz, Bobby Garcia, Pablo Hernandez, Esthermarie Hillman, Bob Lewis, "Bear" Lundquist, Candy Davis, Jose Ortiz, "Gym" Pfafflin, Jim Rico and Gina Scherzinger.

Guests:

Linda Rico was along as Jim's driver today as his normal 'chauffer' Ed Bracamonte is in the process of moving from his home, to a tent in the boonies. Ed and his wife had put their home up for sale, with the idea of getting a new home built to "down-size" in. As things would have it, their home sold much faster than they had expected, and they needed to be moved out by today's date!

Fines:

Bear for sharing phone photos of his new granddaughter.

Bob Lewis for stressing out his wife. (I have no clue)

Steve Agan for having missed meetings to enjoy family time.

"Gym" for having Leyda Ketchem fall for one of his pranks at gift wrap.

Stu for his 53rd anniversary. I always knew that Coatsworths were patient folks.

Paul for being late, for, it seems, everything.

Gina for driving Sooo slow that she can-not make a 7AM meeting start.

Willard for all of his posts about everything that he was cooking or had in the smoker, and not inviting the club! He had a bunch!!!

And, finally, Dan for giving the "Bear" a hard time about his granddaughter.

Gift Wrap:

The very preliminary results are in from the 2016 Christmas wrappin' project. We had about \$10,000 in sales, which is well up from 2015. That could well be due to having a much better location this year! Our club worked about 50% of the total hours, and once expenses are taken out, it will turn out to be a good fund raising project this past year!

When the meeting ended, "Bear", Bobby, Dan and Paul took off for Park Mall to move all of the gift wrap project stuff back to our Bat Cave.

Meeting on 5-January-2017:

Our first meeting of the New Year found many of us still not moving well apparently. Our attendance was down what you could call ... "a bit".

Those who made into town included Willard Adams, Dave Arens, Stu Bagwell, Candy Davis, Dan Davis, Paul Diaz, Bobby Garcia, Pablo Hernandez, Bob Lewis, Bear Lundquist, Jose Ortiz and "Gym" Pfafflin.

Fines:

Bear for being late.

Dan for his birthday this coming Saturday.

Paul for a hair-cut. He would not tell us which one.

Bob Lewis was late again.

Willard should have been fined for not bringing in his "home-made" Menudo! It looked great on Face Book!

THIS & THAT"

Jose has talked with Donnie Vingino and reports that Don is doing great! Don will try to make a meeting here in the near future. He also says that he has a boat load of grapefruit and lemons if any of you would like to stop by and pick them!

As of today, there were still around 45 boxes of food still sitting in one of the work bays at the "Bat Cave". Willard needs to get them moved to the "Wings" location sometime soon.

Heard that Stu was going to have cataract surgery on Wednesday the 11th, so his presence could be questionable. Don't know if he will be able to see his way clear to get to Micha's.

This week Dan & Candy Davis will be elsewhere, so the "Bear" will be taking Candy's place. "God Help Us" !

And Finally, from the book "Savvy Sayin's":

"Never approach a bull from the front, a horse from the rear, or a fool from any direction."

'Till next issue.
